

## Travelling Salesman India Tours\*

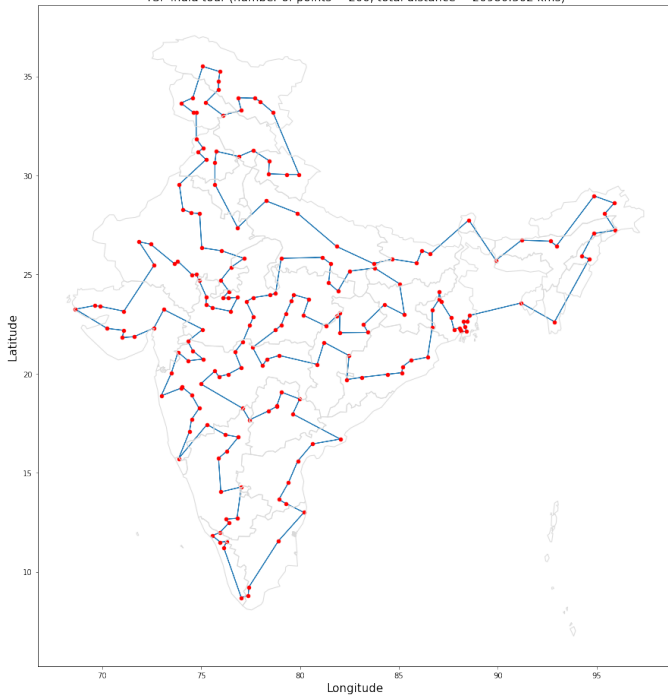

The distance function and data are taken from the world tour <https://www.math.uwaterloo.ca/tsp/world>

\*The tours given below are not necessarily optimal but likely close to optimal.

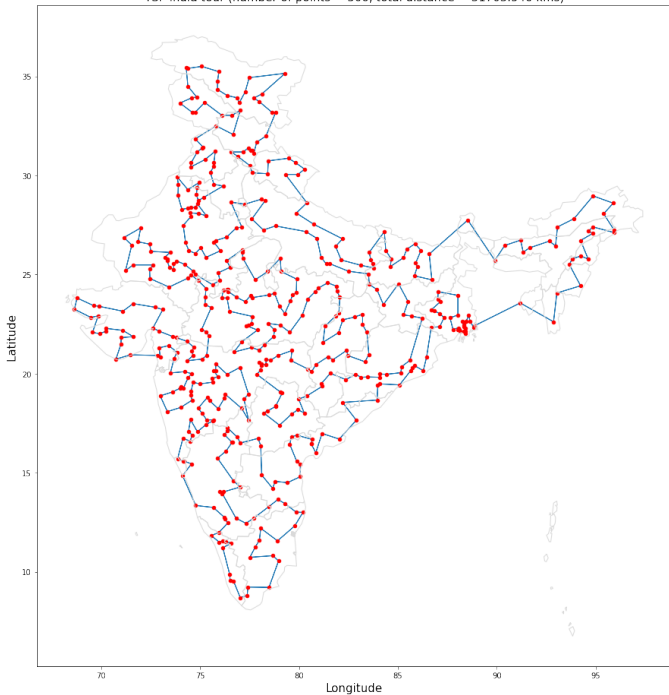

TSP India tour (number of points = 100, total distance = 15035.44 kms)

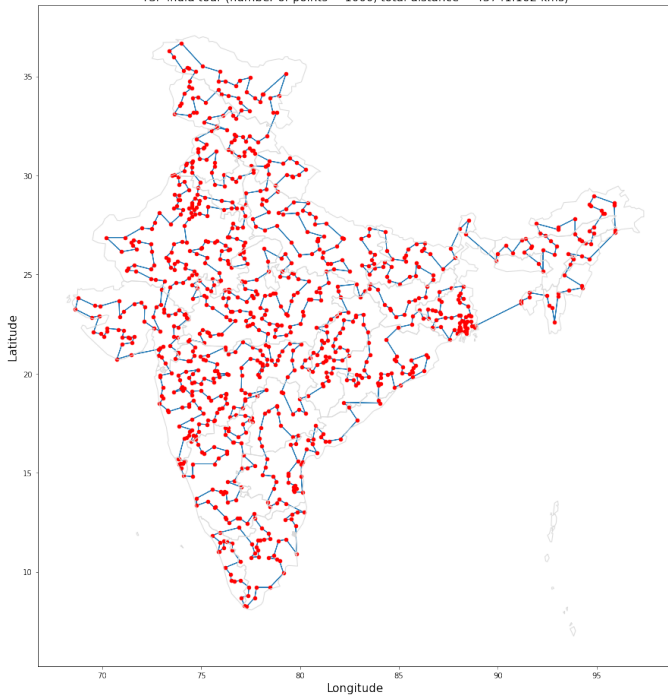

TSP India tour (number of points = 200, total distance = 20980.362 kms)

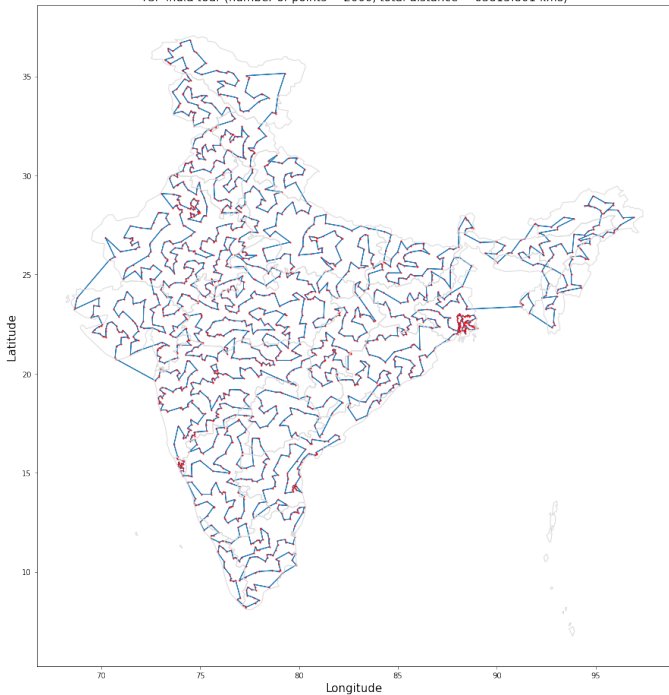

TSP India tour (number of points = 500, total distance = 31703.546 kms)

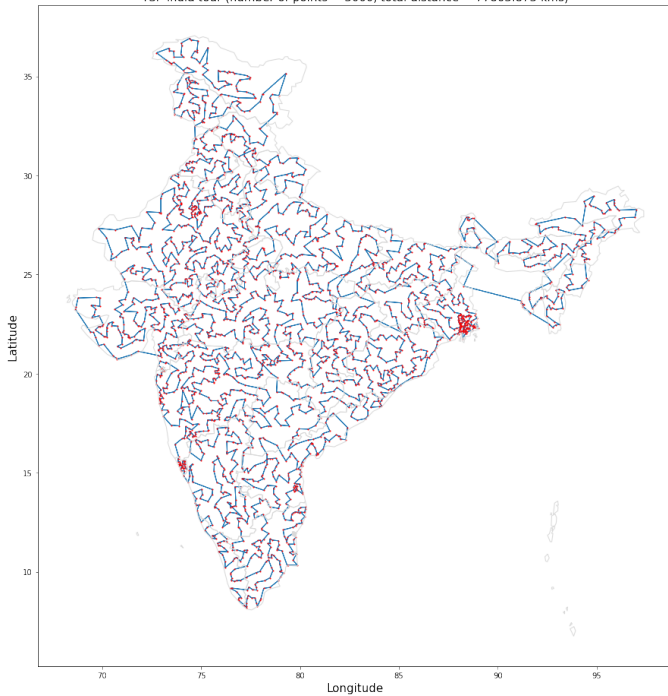

TSP India tour (number of points = 1000, total distance = 43741.162 kms)

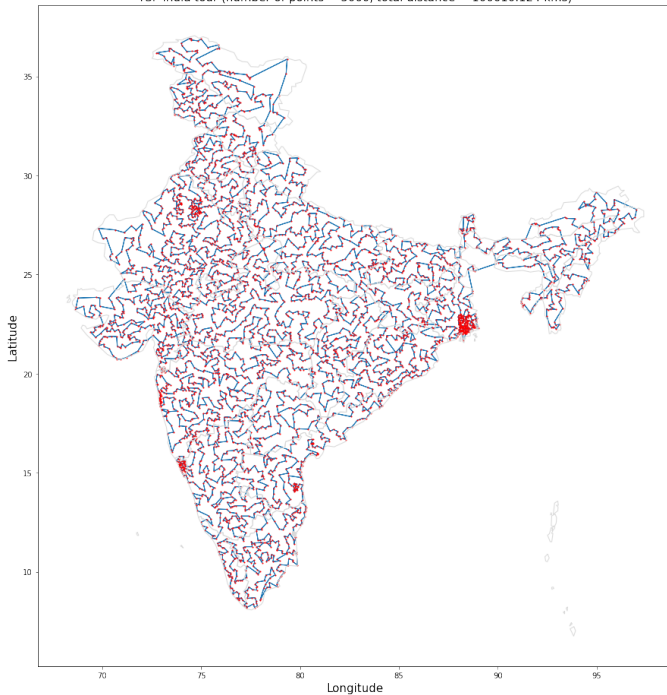

TSP India tour (number of points = 2000, total distance = 63815.801 kms)

TSP India tour (number of points = 3000, total distance = 77863.873 kms)

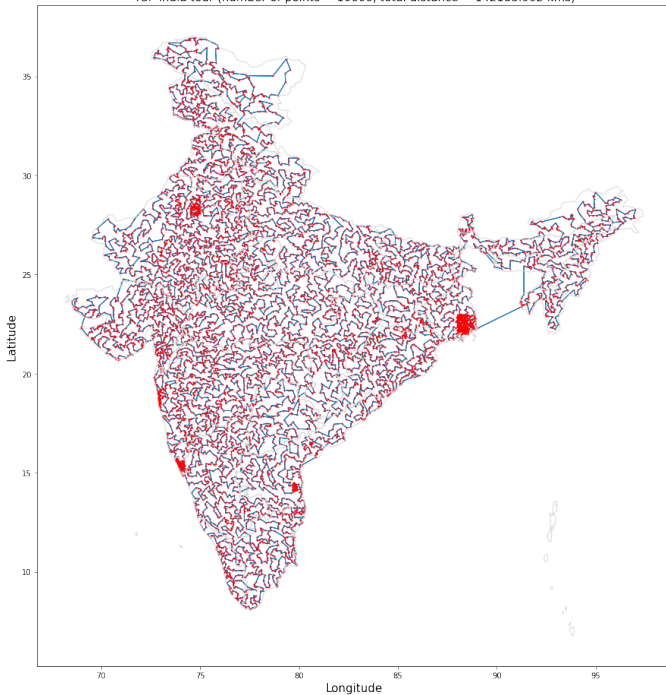

TSP India tour (number of points = 5000, total distance = 100610.124 kms)

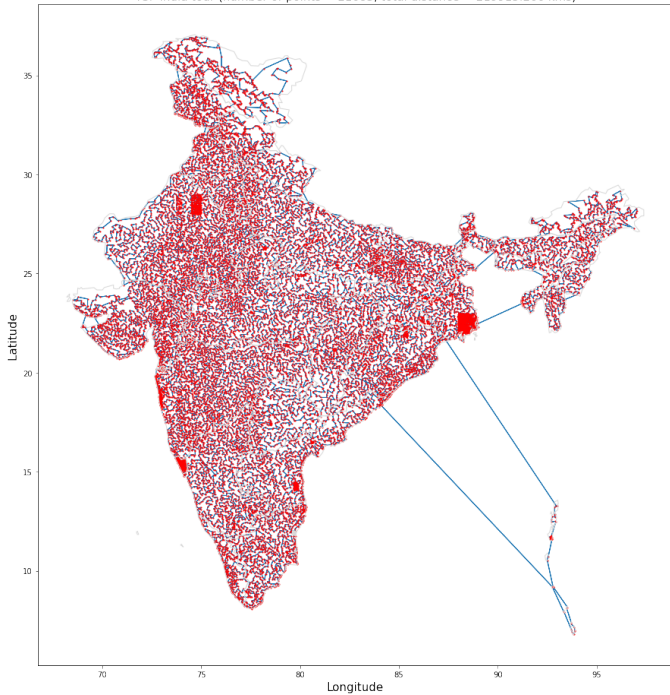

TSP India tour (number of points = 10000, total distance = 142183.992 kms)

TSP India tour (number of points = 21683, total distance = 219915.266 kms)

*Thank You!*
